Conference & Events

Our STORY

Since opening its doors in 2012, EAST Hotel has redefined hospitality in the nation's capital. Founded by Dion and Dan Bisa, the vision was clear: to create a stylish, boutique hotel experience that delivers the unexpected—with personalised service, a vibrant atmosphere, and spaces designed to inspire.

Today, EAST is more than just a hotel. It's a destination for business and leisure alike — a place where locals and visitors meet, collaborate, and connect. With six unique conference and meeting rooms, EAST can host anywhere from 6 to 100 guests, making it the ideal setting for intimate planning sessions or large-scale presentations.

Our purpose-built event spaces are supported by exceptional catering from Agostinis (inspired by the flavours of Italy), and a team that ensures every detail is tailored to your needs.
